Dear Members,

The draft tender we were eagerly awaiting has been received from the PMC. We are sending it to you immediately and will also have it reviewed by our lawyer. Starting today, you have exactly ten days to study this draft tender. Following that, take the next five days to write down your suggestions and submit them to us by October 2, so we can communicate them to the PMC.

September 17 to September 26, 2024: Review the draft, have group discussions, consult people you know, and if you wish to suggest any changes, please submit them to us in writing or email on gangahsg@gmail.com by October 2nd. Oral suggestions will not be considered.

To finalize the tender, we will need to hold a Special General Meeting. The notice for this meeting will be issued on September 27, 2024, and the Special General Meeting to finalize the tender will be held on Saturday, October 5 in the evening. Your written suggestions must reach us by October 2, after which we will compile them and send them to the PMC. Any doubts, suggestions, or clarifications you have should be resolved in this meeting itself. Once the tender is finalized, no further suggestions will be entertained.

You have been given sufficient time, and you are expected to complete all necessary actions within this period. After that, the PMC will explain the final draft tender to us in the SGM, and once it is finalized, it will be released to the press for advertising.
